

TIS is committed to providing its clients with products and services that meet or exceed their expectations in terms of Quality, Health, Safety, and Environment. This shall be delivered in accordance with client specified requirements whilst maintaining compliance with all relevant statutory and regulatory requirements.

TIS shall monitor Key Performance Indicators to measure the effectiveness of the processes that contribute to the attainment of business, quality and safety objectives and targets.

TIS shall implement appropriate measures:

- To monitor and improve our Management System on a continuous basis.
- To establish customer satisfaction in respect of TIS performance.
- To monitor supplier performance against agreed requirements.

TIS Top Management actively encourages ownership and commitment of its Quality Management System through consultation and communication at all levels within the business, and ensures that adequate time, resources, and training is allocated for the effective implementation of policies and procedures. TIS Top Management shall ensure that all employees, are aware of the QHSE Policy and that it be available to relevant interested parties, as appropriate.

TIS continually engages measures to adequately control the Health and Safety risks arising from our work activities, providing a safe working environment, and reducing the probability of harm to our employees or any persons affected by our business activities, to as low as reasonably practicable.

TIS is committed to the protection of the environment at all levels, by minimising waste, recycling, reducing energy, pollution prevention using environmental best practices in all we do. TIS shall comply with all relevant environmental legislation whilst continually striving to improve employees and third party environmental awareness.

This policy shall be reviewed regularly to ensure it is appropriate to the purpose and context of the organization and provides a framework for the setting of quality objectives.

Signed: 

Date: 31st March 2019

Norman Forrest - TIS Managing Director

Next Policy Review: 31st March 2020
